

To Chairman Powell: I gather from the news media (that you are about to put into the hands of about three people) that it takes a trip to Las Vegas to get your attention. I am only one of the well-educated, tax-paying common folk, but should this get to you, PLEASE KNOW I AM VERY MUCH AGAINST YOUR LIFTING THE REGULATIONS (DEREGULATING) ON THE BROADCAST MEDIA OWNERSHIPS. Thank you for any attention you give this although I don't hold out high hopes that you'll pay attention to me.
